PROFESSIONAL EXPERIENCE

Independent Practice

Rod E. Hoevet, Psy.D., Clinical & Forensic Psychology, LLC
11628 Old Ballas Road
Saint Louis, MO 63141
October 2018 – Present

Conducting a variety of forensic and other psychological evaluations, including: competency/fitness to stand trial, criminal responsibility/sanity, parenting/custody, workman's compensation, veteran disability determination, probation, diagnostic clarifications, parenting plan/custody, and others, as well as expert testimony. I am the designated psychological autopsy provider for the Missouri Department of Corrections. I also provide psychotherapy, professional supervision, workshops/trainings, and consultations.

Washington University in Saint Louis

Lecturer for Practicum in Psychotherapy
1 Brookings Drive
Saint Louis, Missouri 63130
October 2025 – present

Providing supervision to clinical psychology Ph.D. students.

Eastern Reception, Diagnostic & Correctional Center

Clinical Psychologist – Locum Tenens
2727 Highway K
Bonne Terre, Missouri 63628
May 2020 – September 2021

Conducting suicide risk and segregation assessments and providing psychotherapy for incarcerated offenders at a Missouri state prison.

Alton Mental Health Center

Clinical & Forensic Director, Chief of Psychology
4500 College Avenue
Alton, Illinois 62002
August 2015 – August 2019
June – August 2023 (part time, temporary)

I served on the executive leadership team of a 125 bed, medium security forensic psychiatric hospital. As Clinical Director, I oversaw all clinical and programmatic services provided to both forensic and civil patients. I formally supervised psychology, social work and rehabilitation services staff, and informally directed and advised hospital treatment teams, independent review committees, utilization review, training department and other individuals, groups and committees that undertake clinical tasks. I served on various hospital and statewide committees and workgroups.

As Forensic Director, I was responsible for all forensic aspects of the hospital, including preplacement evaluations, admissions, discharges, transfers and communication/coordination with law enforcement, county jails, court personnel and various other entities. I reviewed all progress reports for jurisdictional courts for Unfit to Stand Trial (UST) and Not Guilty by Reason of Insanity (NGRI) cases. I conducted fitness/competency evaluations and provided expert testimony in various Illinois county courts.

Forest Park Medical Clinic**Clinical Psychologist**

6744 Clayton Road, Suite 310

Saint Louis, MO 63117

September 2018 – December 2023

Conducting Missouri and Illinois psychological evaluations and testing to determine presence and level of limitation as it relates to claimant's need for disability benefits.

Saint Louis University – University Counseling Center**Clinical Psychologist, Coordinator of Training and Staff Development**

3711 West Pine Mall

Wuller Hall, 2nd Floor

Saint Louis, Missouri 63108

August 2012 – August 2015

Provided clinical mental health services to the students of a mid-sized Jesuit University. In addition, I provided on call crisis and consultation services to the academic community. I was the training director, which included the interview, selection, and supervision of Ph.D.-level psychology graduate assistants who also provided clinical services to students. I was involved in numerous committees and trained staff and faculty on mental health issues. I was unofficial interim director from May-December 2014.

Saint Louis County Justice Center**Clinical Psychologist**100 South Central Avenue, 3rd Floor

Clayton, Missouri 63105

November 2007 – August 2012

Evaluation and individual and group treatment to inmates in a large county jail. The primary emphasis was on conducting diagnostic evaluations and providing individual therapy. Along with one other psychologist, we co-managed all aspects of mental health services and staff. I supervised two clinical social workers as well as undergraduate and graduate student interns/volunteers. I was responsible for conducting in-house suicide prevention and mental illness awareness training to correctional and healthcare staff. I also served as a consultant to custody, nursing, and administrative staff on all mental health and behavioral issues impacting the inmates and the institution.

I was a member of the Interprofessional Management Team, who provided oversight, decision making, and policy creation for the Corrections Medicine Division. I co-chaired the weekly multidisciplinary treatment team meeting.

Correctional Psychology Associates**Clinical Psychologist**570 W 44th Avenue, Suite 320

Denver, Colorado 80216

October 2006 – November 2007

Providing court-ordered outpatient services to federal probationers. Clientele served prison, halfway house, electronic monitoring, or direct probation sentences. Services included evaluations to determine need for treatment, psychological testing and assessment, and group and individual psychotherapy.

TEACHING EXPERIENCE**Maryville University – College of Arts and Sciences****Assistant Professor of Forensic Psychology** (August 2019 – Present)**Adjunct Assistant Professor of Psychology** (January 2009-December 2012; Summer 2019)

650 Maryville University Drive

Saint Louis, Missouri 63141

Instructing in-person and online graduate and undergraduate courses, including: *Criminal Behavior; Forensic Psychology; Psychopathy & Evil; Trial of a Psychopath; The Psychology of Adjustment; Counseling; Mental Health and Society; General Psychology; Personality; Abnormal Psychology; and Assessment*. The courses integrate clinical experiences with textbook and theoretical knowledge. Undergraduate courses target mid to advanced level undergraduate students and the graduate *Assessment* course was in the Masters of Rehabilitation Counseling program. I also coordinate internship experiences for students.

Pepperdine University – Graduate School of Education and Psychology**Adjunct Professor of Psychology**

24255 Pacific Coast Highway

Malibu, California 90263

June 2021 – September 2021

Instructing synchronous and asynchronous components of *Theories Counseling and Psychotherapy* in the online graduate program.

The School of Professional Psychology at Forest Institute – Saint Louis Campus (now closed)**Adjunct Professor of Clinical Psychology**

11477 Olde Cabin Road

Creve Coeur, Missouri 63141

January 2012 – January 2013

Instructing graduate courses in the Masters of Clinical Psychology program, including *Substance Abuse, Clinical Risk Management, Career Development, & Psychopathology II*.

Saint Louis University – Department of Psychology

Adjunct Assistant Professor

3511 Laclede Avenue
Shannon Hall, Room 209
Saint Louis, Missouri 63103
January 2014-August 2015

Instructing undergraduate Abnormal Psychology courses.

Saint Louis Christian College (now closed)**Adjunct Professor**
1360 Grandview Drive
Florissant, Missouri 63033
August 2018-December 2018

Instructing undergraduate General and Abnormal Psychology courses.

TRAINING EXPERIENCE**Western Missouri Mental Health Center (now: The Center for Behavioral Medicine)****Post-Doctoral Psychology Resident**
1000 E 24th Street
Kansas City, Missouri 64108
September 2005 – September 2006

This formal post-doctoral residency program was in an acute inpatient, state hospital. The primary responsibilities included individual and group psychotherapy, psychological assessment, treatment and behavioral plan formulation, consulting to a multidisciplinary mental health team, teaching brief courses/seminars to various staff, and attending lectures, seminars, case conferences, and other presentations. A percentage of time was also dedicated to consulting to local group homes and conducting staff trainings. Some exposure to police training, forensic evaluations, and risk assessments.

Metropolitan State College of Denver – Student Counseling Center**Pre-Doctoral Psychology Intern**
PO Box 173362, Campus Box 5
Denver, Colorado 80217
August 2004 – August 2005

This APA-approved internship focused primarily on service delivery to a distinctive campus of over 20,000 diverse students. Services included individual therapy and group therapy, as well as outreach/workshops. Weekly professional development, training, supervision, and other services directed at the campus and staff development were also provided.

Colorado Counseling Professionals**Practicum Student**
Denver, Colorado
July 2003 – August 2004

Responsibilities included administering and scoring a variety of neuropsychological tests under the supervision of a clinical neuropsychologist.

Samaritan Counseling Center (now: Centus)**Practicum Student**

2901 S Colorado Boulevard
Denver, Colorado 80222
September 2002 – August 2004

Duties included conducting outpatient, individual, family, couples, and group psychotherapy with adolescents and adults, and conducting psychological testing and assessment. Various supervision, training, and presentations were also included.

Centura Health System**Crisis Assessment Specialist**

Denver, Colorado
August 2002 – May 2003

Responsibilities included assessing patients in various hospital emergency rooms to determine the need for acute psychiatric, inpatient services.

Developmental Disability Consultants**Practicum Student**

1120 Lincoln Street, Suite 702
Denver, Colorado 80203
October 2001 – July 2002

Responsibilities included individual and family psychotherapy with developmentally disabled patients and their families. Treatment team planning meetings on behalf of the patients and providing other services in the patients' home when needed were also included.

American Corrective Counseling Services**Group Facilitator**

Denver, Colorado
January 2002 – July 2002

Facilitated weekly courses for first time bad-check writers in the Denver metropolitan area. These courses were offered as an alternative to legal action and focused on increasing insight into participants' behaviors and choices.

Sheppard Pratt Health System**Residential Counselor II**

6501 North Charles Street
Baltimore, Maryland 21285
September 2000 – August 2001

Responsibilities included participating in a therapeutic milieu for the adolescents served. The patients consisted of 12 – 18 year old adolescents who had been through a variety of systems, including social services, foster care,

and juvenile justice; their placement in this setting was a final effort to provide mental and behavioral health services for them before they returned home or aged out of state-sponsored treatment.

Omni House Behavioral Health Systems

Rehabilitation Specialist II

PO Box 1270

Glen Burnie, Maryland 21060

February 2000 – September 2000

Responsibilities included working with a chronically mentally ill adult population with a large variety of diagnoses. Duties were monitoring patients' medications, supportive counseling and problem solving, aiding patients in managing money, paying bills, and in maintaining a semi-independent residence in the community.

Nebraska Mental Health Centers, P.C.

Volunteer

7160 S 29th Street, Suite F

Lincoln, Nebraska 68516

August 1997 – August 1999

Responsibilities included filing and scoring psychological tests.

Lincoln Regional Center

Volunteer

West Prospector and Folsom Streets

Lincoln, Nebraska 68509

September 1996 – August 1997

Responsibilities included social engagements with patients and reviewing charts.
